FIND OUT HOW BUSINESS LIFE HAS BEEN REDEFINED

133 Hazelton Avenue

Three Executive Townhomes on Hazelton Avenue

EXECUTIVE TOWNHOMES

THERE IS SUCH A THING AS A BUSINESS LIFESTYLE. At least, now there is. 133 Hazelton, a classic, limestone building on a quiet street in Toronto's Yorkville, offers 3, two-level townhomes that can be custom-designed for any combination of private and professional space you would like. Live upstairs and create an office or reception area on the ground floor. Or it can be an entirely professional townhome.

But that's not all. A concierge, on duty 24/7 will announce your visitors, who can make use of ample, underground parking. Alternatively, visitors can come directly to your independent Hazelton Avenue entrance. An elegant entertainment suite with catering kitchen is ideal for corporate and private functions. There's a private, multi-media screening room for presentations. Guests can stay overnight in a boutique-style hotel suite. And the fitness retreat, which makes for convenient mid-day workouts, also includes private treatment rooms.

Find out today how the 133 Hazelton townhomes can become the corporate home of your imagination with discrete elegance, convenience and unrivalled services.
